## STAFF POLICY

### 1. Accrued Vacation Time

Vacation days accrue from the date of beginning employment. Vacation days are normally to be taken in the year following the year within which they are earned. Vacation time may be taken as accrued within the year earned, in consultation with the Senior Pastor.

Vacation for non-rostered staff is offered at the following increments and prorated for full- and part-time:

after 1 year - 10 working days

after 2 years - 15 working days

after 10 years - 20 working days

Vacation is to be scheduled in consultation with the Senior Pastor.

### 2. Unused Vacation Time

A record of vacation time, anniversary dates, time taken, and time carried forward shall be kept by administration. By Labour Code, unused vacation time must be either:

- a) taken in the normal manner, or
- b) taken at the employer's request, or
- c) paid out.

### 3. Vacation Time and Terminating Employment

At the time of ending employment, unused and accrued holiday time will be paid.

### 4. Full-time Equivalency and Grid Movement

Movement on the grid that is to be determined by years of employment shall be based on full-time equivalency. Part-time employees may be promoted after serving the equivalent of full-time.

### 5. Vacation Accrual and Disability

Vacation time is accrued as wages are paid. Vacation time will accrue during the nine weeks of short-term disability. During long-term disability, longer than nine weeks, vacation time does not accrue. Disability leave shall be considered as time of employment.

### 6. Placement on the Grid

Rostered ministers are placed on the salary grid according to years of full-time equivalency ministry, not years of ordination or consecration. Employees are placed on the grid based on years of full-time equivalency in comparable service.

### 7. Nine-weeks Disability and Other Benefits

During short-term disability leave, the congregation continues to pay salary and benefits, excluding car allowance.

### 8. Long-Term Disability and Other Benefits

During long-term disability the congregation will continue to pay medical and dental plan, and pension contributions, as long as the individual continues in the employment of the congregation.

## 9. National Group Insurance Plans, and Pension Plan for Clergy and Lay Workers

All details of these benefits can be found online at the ELCIC Group Services website [www.elcicgsi.ca](http://www.elcicgsi.ca) or can be obtained from Messiah's Bookkeeper.

For clarification, the following employee definitions are essential:

**A rostered minister** is an ordained or consecrated person, with a call or a defined contract for a minimum of six months.

**Full-time lay** employment is 30 hours or more per week.

**Part-time lay** employment is 20-29 hours per week.

## 10. Medical Benefits

With the exception of a \$50 yearly deductible, Messiah pays the appropriate premiums for medical coverage, as per the full-time equivalent of the employee.

## 11. Sick Time

Paid sick days shall accumulate at the rate of 1.25 days per month, or fifteen days per year. Unused sick days may be accumulated and carried over year to year. Administration shall keep a record of sick days accumulated, used and carried over.

## 12. Leave

- a) Leave for rostered ministers and other designated ministry professionals - see separate policy
- b) Education leave for staff other than rostered ministers and other designated ministry professionals, may be granted at the discretion of the Senior Pastor.

## 13. Salary and Wage Change Implementation

Normally, if salaries and/or wages are to be changed, that change will occur at the beginning of the congregation's financial year. This includes implementation of the Synod's Salary Guidelines.

## HIRING & FIRING

### Purpose

It is vital that Messiah hire the most suitable candidates available when new positions are created or current positions become vacant.

All staff are fully supportive of the Constitution and By-Laws of the Congregation, and in particular support the congregation's Mission of *Sharing Jesus Christ with all People*.

A qualified and grace-filled staff assists the congregation in the pursuit of its Mission.

### Background

The Church Council, in full consultation with the Senior Pastor, designs the staff configuration.

# MESSIAH LUTHERAN CHURCH OF CAMROSE

## PROCEDURES FOR THE HIRING OF NON-CLERGY PERSONNEL

### Review

A review of the position is made by Church Council. This review includes whether or not the position is required, and an assessment of the job description.

### Hiring Process

Bylaw 3.1.G - When a non-rostered staff member is to be hired, Church Council shall approve the job description for the position. It shall appoint a task force, composed of members of Council, members of the Congregation, and the Senior Pastor to interview candidates for the position. When a consensus of the members of the task force has been reached for hiring a specific person, the task force shall make a recommendation to Church Council.

As a result of the review, the candidate is either granted permanent employment or is released.

### Firing Process

Bylaw 3.1.H - When the dismissal of a non-rostered staff member needs to be considered, Church Council may appoint a subcommittee of Council or a task force, composed of members of Council, members of the Congregation, and the Senior Pastor to review the recommendation. When a consensus has been reached, a recommendation shall be made to Church Council.
