

**Messiah Lutheran Church  
Learning Committee Meeting Minutes  
August 21, 2018**

Present: Cheryl Nester, Diane Nigh, Maria Skriver, Bev Swanson and Carol Green  
Regrets: Dave Stolee, Donny Loewen and Helga Jensen

Cheryl opened with devotions and prayer followed by member check in.

Cheryl updated members regarding Learning's responsibilities as they pertain to Messiah's Constitution and By Laws.

**Adult Class:**

Bev and Calvin will present part of the Nooma series by Rob Bell (6 sessions) beginning September 9 and ending October 21 (excluding Thanksgiving Sunday). This 24-episode film series could be offered at another time for young adults with families who don't regularly attend Adult Class.

Cheryl will confirm with at least two other individuals regarding sharing their faith stories/learning experiences during Adult Class. Diane will look into one other idea that was suggested. If all those slots are filled, the Adult Class schedule looks to be mostly booked until March.

**Sunday School:**

Sunday School will begin on September 9 with back pack Sunday.

**Youth:**

Bev suggested that Jr. Youth and Sr. Youth be separated. There is also a small group of younger students in Grades 5 and 6 that like to meet. We discussed the possibility of hiring someone other than Bev and Dale to look after Sr. Youth which led to a deeper discussion about hiring a Youth Worker for Messiah again.

**For Further Discussion:**

Couples Bible Studies in homes.  
Movie nights for adults.

**Next Meeting:** Wednesday, September 12, 4:45 – 6 pm in the Nursery. Diane Nigh will lead in devotions.

Respectfully submitted for David Stolee,  
Carol Green
