## Opportunities for Designated Giving

As a part of the ongoing  
maintenance and  
improvements at  
Messiah, the Support  
Committee is informing  
our members of two  
projects that are in  
need of financial assistance going forward.

1. Improvements to our sound system with the installation of a T coil that will assist those with hearing aids that have a setting that connects to this system.
2. Starting and building up a designated fund over a number of years for the replacement of the shingles on the sanctuary roof, as well as for the replacement of the covering on the flat roof areas.

**Please check out April's Messenger  
for further details.**
